

The cleanup will be land and water based.

If you have watercraft suitable for the Arkansas River, we encourage you to bring it and collect litter along the riverbanks.

Volunteers are also need to collect litter in the park and along the trails.

Volunteers should wear close toed shoes, and are encouraged to bring your own gloves, a reusable water bottle and litter grabbers.

We will have trash bags and disposable gloves available.

Volunteers are needed for the Great Arkansas River Cleanup
